QUALIFY YOUR BUSINESS

Once you achieve your 2000 + you have the opportunity to qualify your business. The best way to think of this is to build a solid customer base. Build a qualified business by accumulating 24 Trio orders or a minimum of 1,000 PVC each month.

As you grow your personal customer base your income grows. The following example compares the monthly income of a Virtual Franchisee with a customer base of 24 Trio customers to 40 Trio customers.

# Trios	PVC	Monthly
24	1,017	\$376
40	1,695	\$627

Serving approximately 40 households contributes to a healthy and qualified business.

Another benefit of qualifying your business is that you earn an extra 5% Performance Bonus on your team members.
