

Next Step after 2000+...

QUALIFY YOUR BUSINESS

Once you achieve your 2000 + you have the opportunity to qualify your business. The best way to think of this is to build a solid customer base.

Build a qualified business by accumulating 24 Trio orders or a minimum of 1,000 PVC each month.

As you grow your personal customer base your income grows. The following example compares the monthly income of a Virtual Franchisee with a customer base of 24 Trio customers to 40 Trio customers.

Your earnings as a Virtual Franchisee on your Customer Qualified Business
