The difference in content between the Organizational Workbook and the (CTTB) all inclusive Binder

- The **Organizational Workbook** is an Activity Workbook to do your business called:
"Plan and Organize your business with the tools of the Mission Driven Model"
- The **(CTTB)** is a complete binder includes the entire Organizational Workbook and 2 other trainings
Those two other trainings are "The Mission Driven Communities" and the "3 Success Habit's"
You can browse through all of these slides on JPVF.info

Description of Items

FT- SC Booklet, Organizational Workbook & Complete Training Binder Options

1) FT-SC Booklet

- Recommended for everyone to have on hand. It's a 2 page, colored, double sided, folded booklet
- A great tool for every team member since we are all either moving through the FT-SC steps or trying to help someone else go through them. It gives the "Big Picture" yet gives one simple step at a time.

2) Organizational Workbook – Fully Assembled

- Organizational Workbook fully assembled in a quality white 1 inch, 3-Ring Binder
- Sheet Protectors are provided and assembled by their staff.
 - The staff assembles each page in a sheet protector so they stay beautiful forever and retain their proper place in the workbook.
 - In this way we are reminded of what is available as we build relationships and get to know our prospects, customers and team members.
- 5 Colored Divider Tabs are provided and assembled by their staff.
 - The staff collates and assembles them in each 3-Ring Binder
 - The tabs stick out beyond the sheet protectors for added convenience
 - They have double pockets on both sides to use for your extra worksheets
- Beautiful Color Copies (Front and Back)
 - The staff puts each sheet in a sheet protector and assembles them in a 3-Ring Binder
 - These are your masters. Print extra copies of the worksheets as needed at home
 - They only charge \$.29 for each colored page. Many training slides use a lot of colored ink
 - The heavy paper allows clean double-sided printing. We have less bulk with less paper.

3) Coiled Version of "CTTB"

- Easy, Convenient training manual, all-inclusive, has coiled spiral binding. It's not a workbook.
- Used for easy studying, reading, and a quick reminder of the logic of the whole Training Binder.

4) Deluxe Version of "CTTB"

- It is an all-inclusive workbook fully assembled in a quality white 1 ½ inch, 3-Ring Binder
- Sheet Protectors are provided and assembled by their staff.
 - The staff assembles each page in a sheet protector so they stay beautiful forever and retain their proper place in the workbook.
 - In this way we are reminded of what is available as we build relationships and get to know our prospects, customers and team members.
