PERFORMANCE BONUS - 5th Generation	5%	\$2.45
PROMOTE OUT BONUS (POB)	4%	\$1.96
TOTAL CHS CONTRIBUTIONS		\$35.00
If you are a Dealer (earning RSP only), your contribution is \$10.00 (for the year) total = If you are a Direct Distributor (at 6%), you contribute an additional \$2.94 (for the year) total = If you are a Virtual Franchisee (at 14%), you contribute an additional \$3.92 plus the \$2.94 (for the year) total = If you are Sales Coordinator or higher (at 22%), you contribute an additional \$3.92 + \$3.92 + \$2.94 (for the year) total =		\$10 \$12.94 \$16.86 \$20.78
The \$10 is paid upfront. The additional contributions will be determined by the payment method of the So: if the customer pays in 4 month installments, the additional contribution is also divided by 4 and p if the customer pays in full, then the contributions are also paid in full upfront. Sales Coordinator Example: your CHS customer pays in 4 installments		
During the first month the Sales Coordinator contributes RSI p	P lus 1/4th of the DDC = blus 1/4th of the VFC = blus 1/4th of the SCC =	\$10.00 \$0.74 \$0.98 \$0.98
So with the first installment the contribution deducted from a SC will total The rest (\$3.55) will be deducted from the five upline with that first installment. The remaining \$18.75 will be deducted proportionally at 4 month intervals.		\$12.70
